**Statement from Treasurer Deborah B. Goldberg Marking the
Beginning of Women's History Month**

"As we celebrate Women's History Month, we honor the pioneering leaders who devoted their lives to advancing the empowerment of all women. For generations, societal change has come from those brave enough to lead by example and challenge the status quo. Today in Massachusetts, we must rededicate ourselves to tackle the economic inequities of our time, and I believe that starts with wage equality. This is not just a women's issue. It is a family issue, and it affects the economic health and well-being of our entire state."
